

July 2026

Infant

Monday

Tuesday

Wednesday

Thursday

Friday

		1 Reading a book by the author of the month, Maurice Sendak – see the back for suggestions (L, SS)	2 Making patriotic flags and going on a parade to celebrate the upcoming holiday (SS, CA) *	3 NurturEd is closed to celebrate Independence Day – enjoy!
Ask Your Child/Car Chatter:				
6 K is for kayak- building a pretend boat using boxes to explore Narragansett Bay in our classroom (CA, SS, PH)	7 Singing our song of the month, “Take Me Out to the Ocean” – see the back for lyrics (LD)	8 Making tan colored playdough and squishing in a bag before taking it home (PH, S) *	9 Signing and saying the words of the month in Spanish: sand = arena and beach = playa (LD)	10 Celebrating the color of the month, tan = marron claro by wearing something tan today (S)
Ask Your Child/Car Chatter:				
13 Fingerpainting with brown and white paint to create a tan color (S, PH) *	14 Singing “Three Little Fish” swimming in the ocean to count down to zero (M, PH, LD)	15 Playing freeze dance inside a giant square taped to the floor (M, PH)	16 Searching around the classroom or playground to find hidden squares (M, PH)	17 Practicing the lobster yoga pose – see the back (PH, SE)
Ask Your Child/Car Chatter:				
20 Tracing an imaginary square on each other’s backs (PH, SE)	21 Taste testing Rhode Island foods, such as Del’s lemonade and coffee syrup (LD, CD)	22 U is for beach umbrella- gluing torn colored paper on an umbrella printout (CA, PH)	23 Creating our own RI Reds by gluing feathers on a paper plate chicken (CA, SS) *	24 Sand I spy- finding ocean animals and shells in Ziploc bags (LD, S)
Ask Your Child/Car Chatter:				
27 Making a seashell mural by sticking 100 seashell stickers to see how big 100 is (M, PH)	28 Building a Newport mansion with blocks from our classroom (PH, SS)	29 Creating an art inspired project by the author of the month, Maurice Sendak (L, CA) *	30 Moving like zoo animals that might live at Roger Williams Zoo (CD, LD)	31 K is for King Crab: enjoying crab races in our classroom as we practice large motor movements (PH, LD)
Ask Your Child/Car Chatter:				

“Ask Your Child/Car Chatter”
Use these questions or suggestions to help your child make connections from school to home by talking about what was learned in school, connecting play to school concepts, and more!

Rhode Island Early Learning & Development Standards (RIELDS) Domains:

(Denotes calendar activities that are aligned with the RIELDS)

CA – Creative Arts
CD – Cognitive Development
PH – Physical Health and Motor Development
L – Literacy
LD – Language Development
M – Mathematics
S – Science
SE – Social and Emotional Development
SS – Social Studies

Early Learning standards articulate shared expectations for what young children should know and be able to do. They provide a common language for measuring progress towards specific learning goals.

Curriculum Calendar

*denotes take home project that will be placed in your child’s mailbox

Concepts of the Month

Creative Curriculum Study: Sand

Visit our website to see videos of our Curriculum Concepts! 

Monthly Topic: Rhode Island is the Ocean State
(related to Creative Curriculum Study)

Color: tan = marron claro

Shape: square = cuadrado

Numbers: 0 & 100

Letters: K & U

Spanish Words: sand = arena beach = playa

Author/Illustrator Spotlight: Maurice Sendak

Suggested books to read together:

*Higglety Pigglety Pop! or There Must Be
More to Life*

Outside Over There

In the Night Kitchen

Very Far Away

Little Bear

Where the Wild Things Are

Sign Language:

Sand

Beach

Song of the Month: Take Me Out to the Ocean

Tune: "Take Me Out to the Ballgame"

Take me out to the ocean

Take me out to the sea

There goes a starfish and sand dollar

I'm having such fun, I've just got to holler

Oh, it's swim, swim, swim underwater

Catch a ride on a whale, don't fear.

For the sea animals are our friends,

Let's give a great cheer!

Math and Measuring: Geometry

Children learn to identify shapes and their attributes, and solve mathematical situations using shapes. They begin by exploring how differently shaped objects fit or do not fit together by manipulating such things as nesting cups. Later, they combine and separate shapes to make designs or pictures (i.e. completing shape puzzles)

Yoga Pose:
Lobster

Spotlight on: Cognitive Development

Development in the domain of cognition involves the processes by which young children grow and change in their abilities to pay attention to and think about the world around them. Infants and young children rely on their senses and relationships with others; exploring objects and materials in different ways and interacting with adults both contribute to children's cognitive development.
